

Only one name is synonymous with HF Alky Turnarounds: **REPCON!**

Repcon has performed over 80% of all Alky Turnaround projects in the U.S. in the last 10 years. There is no substitute for real-world experience.

Just as important as our clear leadership in HF Alky Turnarounds is our stellar safety record that makes it all possible. Repcon consistently exceeds all standards for safe practices, including rare designations by OSHA and a long list of industry prequalifications.

Count on REPCON for:

- Unmatched industry experience
- Outstanding safety record
- Highly trained and experienced supervision
- Skilled craftsmen
- Unparalleled safety personnel
- Qualified decontamination facilities
- Experienced operators

5,900,000+ man-hours worked and 80 HF Alky turnarounds completed 2004-2014.

Turnarounds and Construction are our business.

Nobody does turnarounds better. Nobody does them faster. Our customers benefit from quality workmanship, a streamlined project management model, lower costs, reduced downtime, and some of the speediest services in the business. We also bring technical expertise to each turnaround that's unmatched in today's industrial landscape.

The Repcon difference

- Unmatched industry experience
- Outstanding safety record
- State-of-the-art mobile decon facilities:
 - Decontamination trailers
 - 5 PSIG decontamination blast resistant modules
 - Safety showers
 - Neutralization vats
- Complete PPE, including:
 - Acid suits through class "C"
- Experienced, highly trained personnel:
 - Supervision
 - Craftsmen
 - Safety personnel
 - Decontamination facility operators
- Numerous references

An elite group

Repcon was the first mechanical contractor to receive OSHA's VPP STAR Mobile Contractor designation and has successfully recertified this designation three times to date. Further, Repcon is one of only a select few contractors listed in the OSHA Federal Register, where their policies and procedures have been approved for all 10 Federal Regions.

- Top managers & supervisors
- Large cadre of skilled craftsmen
- Unique management approach
- Varied contracting arrangements
- State-of-the-art computer & telecommunications
- Thorough & detailed planning & scheduling
